Niles Tribhuvann is a seasoned litigator and dispute resolution expert, with almost two decades of experience in managing complex, high-stakes matters across India. As the Founder and Managing Partner, he leads the Firm's Litigation and White-Collar Crime practices, while actively advising the Union and Maharashtra Government functionaries on critical legal matters.

Having personally handled over 7,000 cases and 4,000 arbitrations, Niles is a trusted legal strategist for industry leaders, high net-worth individuals, and multinational corporations. His counsel is regularly sought in matters involving cross-border litigation, regulatory investigations, corporate compliance, and enforcement actions. Furthermore, he is the go-to advisor for global CEOs and CFOs on government engagement and advocacy strategies.

Niles's legal foundation was shaped under the mentorship of legal luminaries—the Late Mr. Ram Jethmalani and Mr. Mahesh Jethmalani—who instilled in him the values, foresight, and tactical clarity that define his practice today.
